Here are some tips to help you prepare your visit to our tourist attractions

The Guide was printed on February 2nd, 2023, on the basis of information provided by the tourist attractions at that time.

If you wish to purchase your tickets online, you can do so on our 365.be website or on the app.365.be app! Online tickets are available for attractions with this pictogram: 🗺️

Electronic payments are available for attractions with this pictogram: 💳

You’ll find fully updated information on our 365.be website or the attraction’s dedicated website, as well as one-off activities and events scheduled by our tourist attractions throughout the year.
Check out our app.365.be app for info too!

Access-i allows you to identify, at a glance, the level of accessibility of 41 tourist attractions in Wallonia and Brussels!

Each category of people with special needs is identified by a pictogram. This one is placed in a box whose color varies according to the level of accessibility of the evaluated space.
Travel in Brussels with the STIB!

The network includes metro lines, which connect the eastern and western districts of the city. Pre-metro lines (trams in the tunnels) complete the metro service. A great many metro lines also have above ground bus and tram connections. Maps of the network are available free of charge from the information service at the metro stations.
